

Welcome to the Adamson Library of the Augusta Genealogical Society

During the health crisis due to COVID-19 the library will be open by appointment only beginning June 29, 2020. This arrangement will continue until further notice.

Appointments can be made by emailing AugustaGenSociety@comcast.net. Please allow at least one week for a response, as the Augusta Genealogical Society is a completely volunteer operation.

Once a request is matched with a volunteer Librarian of the Day (LOD), the LOD will contact the patron requesting the appointment to find a mutually agreeable day and time to meet at the Adamson Library. There will be no regular standing hours during the health crisis.

Appointments will be limited to two (2) patrons per visit, and no more than three (3) hours, in order to respect the time of the volunteer Librarian of the Day (LOD) who will meet patrons at the library especially for their visit.

Those requesting an appointment must exhibit no signs of illness. Patrons and Librarians of the Day will be required to bring their own masks, and wear them during their stay at the library.

Hand sanitizer should be brought by patrons for their own use. Alternately, hands can be washed in the kitchen sink inside the library, or in the restrooms down the hall, where hand soap will be provided.

Social distancing will be maintained inside the library at all times by staying six (6) feet apart.

Patrons should bring their own laptops or personal devices if desired. Any need for using an AGS computer or the photocopier during their visit will be performed for the patrons by the LOD.

Books and files used by patrons during their visit should be placed on the library cart, and not re-shelved.

Sanitizing of spaces used by patrons will be performed by the LOD before and after the patrons arrive and depart.

A fee of \$10 per visit will be charged to use the library for non-members of AGS. Alternately, patrons may join AGS. There is no extra charge for current members of AGS.

Please indicate that you have read these procedures and agree to abide by them while utilizing the collections of the Adamson Library by signing and dating below.
