FAMILY DISCOVERY DAY CLASS DESCRIPTIONS

<p>AFRICAN AMERICAN RESEARCH RESOURCES <i>TERRY HOWARD</i></p>	<p>African American family history research can seem daunting but if you become familiar with what resources are available, it will make your search easier. Having researched her own African American family tree, Terry Howard can help guide you in your research.</p>	<p>GETTING THROUGH BRICKWALLS <i>STAFF</i></p>	<p>Have you come to a dead end and don't know where to turn. Come to the Evans Georgia Family History Center where trained consultants can help you. Sometimes all it takes is a different set of eyes!</p>
<p>AFRICAN AMERICAN FAMILIES – BYU LINKING LABS <i>TERRY HOWARD</i></p>	<p>Come be part of History! In preparation for the opening of the International African American Museum in Charleston, BYU (Brigham Young University) Linking Labs will help you find others connected to your tree! We'll show you how to get the process going.</p>	<p>EVANS GEORGIA FAMILY HISTORY CENTER PREMIUM WEBSITES <i>DIANE JENSEN</i></p>	<p>Did you know that there are 4600 FamilySearch libraries throughout the world that provide communities with the ability to do Family History for free? The Evans Georgia Family History Center is just one of those centers. Besides free access to FamilySearch, we also have nearly a dozen subscription based premium websites available for FREE along with knowledgeable consultants to help you.</p>
<p>ANCESTRY.COM 1010 AND 201 <i>LAURA LESEBERG</i></p>	<p>Ancestry.com is the largest subscription genealogical website. Learn how to set up your own tree, search for records, use the Ancestry catalog and connect with others that might be researching your family line.</p>	<p>MAKING SENSE OF DNA PART I & II <i>DIANE JENSEN</i></p>	<p>For some family history researchers, DNA is a very important part of connecting their genealogy. In this class, Ed Urbanawiz, will help you understand how DNA works and how you apply it to your family history.</p>
<p>CSRA FAMILY HISTORY RESOURCES <i>AUGUSTA GENEALOGICAL SOCIETY</i></p>	<p>Although you may not have Georgia roots, don't overlook all the local Family History Resources available to you in the CSRA – you'll be amazed how many organizations are willing to help you in your Family History search!</p>	<p>NEWS FROM ROOTSTECH <i>STAFF</i></p>	<p>RootsTech is the largest global family history event held each February in Salt Lake City, Utah. Thousands of people around the world learn to discover, share, and celebrate their family connections across generations through technology. Come and see the latest news as Rootstech celebrates its 10th year!</p>
<p>ENGAGING YOUTH INTO FAMILY HISTORY <i>DIANE JENSEN</i></p>	<p>Genealogy has often been considered an adult hobby; but the scope of family history is changing with new technology, communications and was to interact, there is no reason why genealogy can't be a family affair for everyone!</p>	<p>ORGANIZING YOUR FAMILY HISTORY <i>DIANE JENSEN</i></p>	<p>With so many dates, names and places – keeping your Family History organized can seem overwhelming. With new systems and technology matching your personal work style, there is bound to be a system for you! Come and find out!</p>
<p>FAMILY REUNIONS AND RECIPES <i>CONNIE URBANAWIZ</i></p>	<p>Family Reunions and food go hand in hand and help us to remember our family connections. Come learn how to easily plan a family reunion while celebrating your family's favorite foods.</p>	<p>PALEOGRAPHY <i>STACI PACKER</i></p>	<p>If the saying, "It all looks Greek to me" applies to you when reading old handwriting – sign up for Staci Packer's Paleography. With a lot of tips and tricks, you'll be reading just about any document in no time.</p>
<p>FAMILYSEARCH 101 & 201 <i>DOUG CRAMER</i></p>	<p>Familysearch.org is the world's largest depository of records. Learn how to set up your own tree, search for records, and use it powerful Research wiki tools, online books and catalog or information</p>	<p>REAPING A HARVEST IN LAND RECORDS <i>GUEST SPEAKER: LARRY THOMAS</i></p>	<p>Many people overlook the potential huge crop of information located in land records. Most, if they look at all, will only identify the homestead. They overlook all the land the ancestor may have owned, who they bought from and to whom they sold. Who were their neighbors? What kind of land did they own and did it contribute to their livelihood? We will look at a lot of this information and a brief description on metes and bounds plus chain-pulling.</p>
<p>FINDING YOUR STORY <i>WANDA NOVAK</i></p>	<p>Your story is just as important as the stories you are researching. Don't forget to include your story onto your spot on the family tree. Storyteller Wanda Novak will show you how. Ask her about the #52 Stories project!</p>	<p>TAKING ORAL HISTORIES <i>DONNA ANDERSON</i></p>	<p>Most people love to talk about themselves, so take the impportunity and get it in a video or audio file. Donna Anderson will show you how easy it is to get a good quality interview with just a little technology and some great questions to get your interview going.</p>
<p>GENEALOGY GIFTS</p>	<p>In this self-guided presentation, you are certain to find a gift that will be meaningful to someone you are related to.</p>	<p>USANDO FAMILYSEARCH EN ESPANOL <i>JENNY SANTIAGO</i></p>	<p>Familysearch.org es el mayor depósito de registros del mundo. Aprenda cómo configurar su propio árbol, buscar registros y utilizarlo con poderosas herramientas wiki de Research, libros en línea y catálogos o información</p>
